(tasty) treat at our regular meeting. Michelle and Todd Leonard will be demonstrating some of their dehy food that is good for camping. They have invited us to their home. Please RSVP to Cindy (cfurse@ece.utah.edu) so they have an idea how many people to expect. See page 2 for details

This is also the time of year when we need to find new members to join our club. If you know of anyone who would be interested in what we do, please take the time to invite him or her to come and join us in the up coming year. Over the year we have met several people on the trail who have shown interest and it would be nice to build our group in the coming year.

Our annual Christmas party is sneaking up on us, and we are in need of sponsors and auction items to help us raise money for the up coming year. Every little bit helps. If you have any items to donate contact Fran Wilby.

Take advantage of those days with good weather. The snow will be here before you know it !!!!

Dear Fellow Equestrians,

As the riding year comes to an end, I want to thank those of you for volunteering to lead rides and service projects. As well as those of you who have donated time to take care of the finances, newsletter, and the management parts of the club. I also appreciate all of you who come out for the rides, projects and meetings. It makes my job so much easier when everyone pitches in.

This month we have a special

**Full Beaver Moon November 17**

This was the time to set beaver
traps before the swamps froze, to
ensure a supply of warm winter
furs. Another interpretation sug-
gests that the name Full Beaver
Moon comes from the fact that the
beavers are now actively prepar-
ing for winter. It is sometimes also
referred to as the Frosty Moon.

ASHAU OBSTACLE COURSE RIDE

American Saddlebred Horse Association Annual Obstacle and Trail Ride in Dimple Dell Park was on October 5. Weather was perfect and the turnout was great. 89 entrants rode the course and had the opportunity to test their equestrian skills on 19 obstacles.

We want to thank the many MRB-CHU members who rode and/or volunteered to judge, set up the course and helped in so many ways. Your support is so valuable. There are too many people to specifically name as I would surely leave people out, but one person does deserve special recognition. Pat Wilson has spent double duty with BCHU duties as MR secretary and BCHU State Representative. She is also the chair of ASHAU's pleasure horse committee, which oversees the Obstacle Ride. She spent countless hours researching new obstacle possibilities, putting materials together, planning the course, recruiting judges and assuring a successful event. Many thanks to Pat!

If you didn't make it out this year, mark your calendars for October 4, 2014!

CHRISTMAS PARTY & AUCTION! DECEMBER 12

Please start collecting your donations for the annual BCHU Christmas Party & Auction! Gently used horse gear, home décor, clothing, books, etc. are all welcome for our annual fund raiser auction. Invite your friends — this is our annual membership drive as well. And, if you can, please volunteer to help. See page 2 for details.

NOV 14 TASTE TEST & MEETING

This month our meeting will include a special treat — taste testing dehydrated camping food for next year's camping and packing season. This is Bruce Kartchner tested and approved. Please RSVP. More on Page 2.
